O' Allah I am at Your service

11:45 PM (1 minute ago Ghalib Bakir to jordan-pilot)

Peace and Allah's mercy and blessings be upon you

My brother Aba-al-Ayyubi

Thanks for the new address, and I will not send you other messages from my old address, and Allah willing we will start communicating through these two new addresses. Thanks be to Allah for what I read in your message, my beloved brother, and you were correct when you said "protecting our Islam", for by Allah it is a rabid campaign against our precious nation and our innocent and oppressed people, and there is neither strength nor will but through Allah, the Great and Almighty.

My beloved brother, I have a membership in al Midad and al Muqawamah and Allah willing we will connect there as necessary. As for what you mentioned regarding the projects that you are thinking about, do you want to practice at the local level?

Have you formulated an idea and are now waiting for the tools or help?

Have you benefited in the past from the material found in the forums?

Allah willing I have not misunderstood your intention, my honorable brother, and we are on the same page, and as the Beloved and Chosen One, Allah's peace and prayers be upon him, prayed, {O' Lord I ask that You keep me steadfast, I ask that You to grant me the resolve of reason, I ask that You remind me to thank You for Your blessings, and to worship You properly; I ask You truthfully, and with a clean heart, and I rely on You to protect me from the evil that You know, and I ask for the best of what You know, and I ask for your forgiveness for what You know You are the Knower of the unseen.}

Your brother Al-Karkhi
